Loan Request

Use this form to request a loan from your 401(a), 401(k), 403(b), or 457(b) governmental employer plan. Fill in by hand using CAPITAL letters and black ink, or on screen (if PDF).

Helpful To Know

• Costs, limits, and requirements vary from plan to plan. Check with the plan sponsor (the employer that provides the plan) or Fidelity to find out what applies in your case.
• The maximum you can borrow is based on your retirement plan’s rules and on the value of your account. Be aware that a market downturn could reduce your maximum between the time you submit your request and when it is approved and processed.
• Most workplace retirement plans let you borrow up to $50,000 or 50% of your vested account balance, whichever is less. Most also have a loan minimum of $1,000.
• If you’ve taken a loan from your plan before, the amount you can borrow will generally be reduced by the highest loan balance you’ve had during the past 12 months (if any).
• Loan costs may include a one-time set-up fee and quarterly maintenance fee. If you withdraw money that you recently invested, you may be charged a short-term sales charge, as described in the applicable fund prospectus(es). Any fees will be deducted from your account.
• It is your responsibility to keep current with your loan payments. Failure to do so can have tax and financial consequences.
• Your request will be denied if your plan requires, but you do not provide:
  – A plan sponsor signature (see Section 8).
  – A copy of the signed purchase and sale agreement for a loan to purchase a primary residence.
• To get your plan number(s), call your plan sponsor or go to fidelity.com/atwork.
• To validate your profile or to change your address go to netbenefits.com/profile or call Fidelity.
