Distribution — Financial Hardship

Use this form to request a one-time cash distribution for hardship reasons from your 401(a), 401(k), 403(b), or 457(b) governmental employer plan. Available for current employees only. Fill in by hand using CAPITAL letters and black ink, or on screen (if PDF). If you need more room for information, use a copy of the relevant page.

Helpful To Know

- You can only take a distribution if you meet one of the criteria for eligibility (see Section 3).
- Workplace retirement plan distributions may have tax consequences. You may want to consult a tax or financial professional.
- Hardship withdrawals may require documentation and plan sponsor approval.
- To get your plan number(s), call your plan sponsor (the employer that provides the plan) or go to mysavingsatwork.com.
- To validate your profile, go to netbenefits.com/profile. To change your address, call your plan sponsor or go to netbenefits.com/profile.
- For most other types of distributions (such as cash or rollover) find the appropriate forms at fidelity.com/atwork.
- Non-resident aliens must provide IRS form W-8BEN and a U.S. taxpayer ID number to claim any tax treaty benefits.
- Be sure to keep the documentation you provide in connection with your hardship request for at least six years after your distribution check arrives.
- Before you submit this form, be sure to find out whether your plan requires plan sponsor approval of distribution requests. If your plan does, and there is no plan sponsor signature in Section 9, your request will be denied.

5. Tax Withholding

The IRS does not require us to withhold taxes on a hardship distribution. However, if you do not indicate a selection below, we will default to withholding taxes. Each state sets its own withholding rates and requirements on taxable distributions. We apply these rates unless you, or state law, direct otherwise.

For residents of NY, NM, NJ, ND, PA and RI, you must provide a dollar amount for state withholding if you would like it withheld ($10 minimum), otherwise no amount will be withheld.

For U.S. Persons the default withholding rate of 10% will apply. For non-resident aliens, the minimum federal mandatory withholding rate of 30% will apply, unless the prevailing tax treaty rate applies because you have a valid IRS Form W-BEN on file with Fidelity.

Note that the amount of tax withheld will be calculated on, and subtracted from, the amount of your distribution. Amounts withheld may be less or more than what you actually owe in taxes. To review the Special Tax Notice for details, go to fidelity.com/atwork.

Federal
☐ Withhold federal taxes at the rate of:
Percentage (10% minimum) ________%
Note that if there is federal withholding, certain states require that there also be state withholding.
☐ Do NOT withhold federal taxes

State Withholding
☐ Withhold state taxes at the applicable rate
☐ In addition to the applicable rate, withhold a dollar amount of:
  Withhold ($10 minimum) $__________
☐ Residents of NY, NM, NJ, ND, PA and RI ONLY. Withhold state taxes in the amount of:
  Withhold ($10 minimum) $__________
☐ Do NOT withhold state taxes unless required by law

Account’s legal/residential address determines which state’s tax rules apply.

If the retirement plan requires a signature from the plan sponsor in Section 9, you do not need a signature guarantee. If the retirement plan does NOT require a plan sponsor signature, you will need a signature guarantee if either of two cases applies:
- Your distribution is more than $10,000, it is not being sent using EFT already set up on your account, you are providing a new address, AND it’s important that your transaction not be delayed by 10 days.
- Your distribution is more than $100,000.

You can get a signature guarantee from most banks, credit unions, and other financial institutions. A Medallion signature guarantee must guarantee at least the amount of your loan. A notary seal/stamp is NOT a signature guarantee.

9. Plan Sponsor Approval
