

Service Credit at Other College or University Hire Instructions

Brandeis University provides retirement plan contributions to certain eligible employees following completion of a one-year service period along with meeting the requirements of the plan.

To be eligible for immediate enrollment in the Brandeis University 403(b) Basic matching retirement savings plan, the service period may be satisfied by a year of service at another accredited college or university. This service requirement is waived for employees who were employed for at least one year in a half-time or more position at a 501(c)3 higher education institution immediately preceding the date of employment at Brandeis (up to three months lapse in time between prior employment and Brandeis employment is allowed).
