

NOTICE REGARDING WELLNESS PROGRAM

The Disney Wellness Rewards Program is a voluntary wellness program available to all active U.S.-based (and U.S. expatriate) regular full-time and regular part-time employees and their spouse or domestic partner who are enrolled in a Disney medical plan option for the current program year. The program complies with federal rules permitting employer-sponsored wellness programs that seek to improve employee health or prevent disease, including the Americans with Disabilities Act of 1990, the Genetic Information Nondiscrimination Act of 2008, and the Health Insurance Portability and Accountability Act, as applicable, among others.

If you and your spouse or partner choose to participate in the wellness program, you will each receive an incentive of \$300 for getting a preventive exam or cancer screening, or completing five (5) Headspace sessions. Although you are not required to get the preventive exam or cancer screenings or complete the Headspace sessions, only employees (or their enrolled spouse or partner) who do so will be qualified to earn the incentive.
